*31 May 2013*

### **Nyirrangulung By Election result**

The NT Electoral Commission has released the declaration of the results of the recent By Election held in the Nyirrangulung Ward.

The Candidate with the majority of votes is new Councillor elect Anne Marie **Lee**, who comes from Barunga.

New elected Councillor Lee joins Cr Selina Ashley and Cr John Dalywater in representing Nyirrangulung Ward which includes the Towns of Barunga, Beswick, Bulman/Weemol, Manyallaluk, Jodetluk, and Werebun.

### **Beswick's Tidy Town Triumph**

Roper Gulf Shire Town Beswick/Wugularr has won the National Tidy Towns Award for Culture and Heritage whilst the Beswick Solar Lights formed the basis for a recommendation for Energy Innovation at the recent National Awards presentation in Caloundra in Queensland.

Beswick is not a new comer to winning Tidy Town Awards however a number of other Roper Gulf Towns will be competing in this year's awards. This reflects well on the new sense of pride in place across the Shire.

Congratulations to Mal Fox and the team and community at Beswick.
